

Junior Academy for 4-6 year olds! Sept.—Nov. '09

The **SCA Junior Academy** is the perfect introduction into soccer and group play for children 4-6 years old. It will help your child to build a great athletic foundation and it will also teach them the importance of teamwork and individual improvement in a non-competitive atmosphere.

The **Junior Academy** provides a chance for your child to learn about the game of soccer, improve as a player, meet new friends and most of all have a lot of FUN! The program is directed by Renee Ziemer, the founder of Kinder Kickz Soccer Program www.kinderkickz.com.

The focus of the **Junior Academy** will be on developing soccer skills (dribbling, passing, trapping, kicking and juggling) through a series of fun games and small-sided games specially designed for children 4-6 year olds. The **Junior Academy** uses soccer as a vehicle to develop and educate young children about the benefits of an active and healthy lifestyle. The curriculum focuses on improving motor, social and soccer skills in a fun and positive environment.
